

Student Employee Reflection Form

Please complete the following before meeting with your supervisor to discuss.

Please describe one specific way your work as a student employee has positively influenced your experience at UVM.

Please describe one specific skill you have learned as a student employee that contributes to your success as UVM student.

What are you learning at your UVM job that is helping you in school?

What are you learning in classes that can be applied at your job?

Can you give me a couple examples of things that you are learning at work that you will be using in your future profession?

Thank you!
